# 15 The Thirteen Colonies

## Confederation and Convention Map

Label the following:

- Cities: Philadelphia, New York
- Rivers: Mississippi, Ohio
- Physical Geography: Great Lakes (label each lake), Appalachians
- Countries/territories: United States, Spanish Florida, Spanish North America, Canada (British North America)
- States (see pages 77, 83 & 87 to label. DO NOT use a modern US map.)

Color/draw the following:

- New England (green), Middle (yellow) and Southern states (red)
- Countries (hint: there are 3, use different colors for each- you choose)
- Draw a thick line around the United States in 1787 (see the map on RA6- New Nation, 1787)2

Use pages RA5, RA6 (New Nation, 1787 map), 77, 83, 87 in the American Republic Book
