

## Mural of Mexicano Contributions to Southwest Culture

**Directions:** Begin by taping the two pages of this map together so that the crop marks at the top and the bottom of the page are aligned. Then you and your partner will receive a placard with a photograph and description of one aspect of Southwestern culture influenced by Mexicanos. Look at the photograph carefully and take turns reading the description aloud. Then design a visual symbol for the contribution and draw it on the map. When possible, draw your symbol near the actual geographic region where the contribution was made.
