

Transportation Foldable

Fold an 8 ½ X 11 piece of paper in order to make 4 flaps. See my example.

Using pages 314-319 and your outline complete the following:

Flap #1: States. List the states and the date range they were admitted to the United States. p. 319

For the following flaps write: Explain the problems each improvement solved and how. Also explain additional effects the improvements had on society.

Flap #2: Canals

Flap #3: Steam transportation

Flap #4: Better roads (include information about turnpikes)

States	Better Roads
Canals	Steam Transportation
